

High-Density PDUs

- High density 19" horizontal PDU
- Tough 1.5U aluminium extrusion
- C14, C20, 16A commando, or 32A commando options
- 3-metre 1.5mm lead

Utilising rack space to the maximum, high density PDU's use all the available horizontal space to pack power sockets, up to 16 x IEC C13, 8 x 13A BS1363 and 10 x IEC C19.
