

Multimedia and Data options

Products shown: 6C/H, 6C/U & 6C/C6-W

- 6C Black or White (RAL 9003)
- 300mm Multimedia launch leads
- 3 or 5-metre Cat 5e
- Multimedia, Voice or Data
- Launch leads allow multi length cable
- 3 or 5-metre Cat 6

Choices of Black or White, Cat 5e and Cat 6 data leads, USB, VGA, HDMI and 3.5mm jack launch leads, or Cat 6 components allow the designer flexibility in application specific projects and greater usability for the client.

Data leads are fixed as 3-metre and 5-metre as today's bandwidth requirements need the maximum performance. Conversely the multimedia launch leads are 300mm long giving the opportunity of multi length lead options.

Use Black for P-PACK DESK, P-PACK, PD-VERTICAL, PD-DESK, White for MINI AND MAXI Desk products.

Components

6C/B	Black / White 6C blank
6C/C6	Black / White 6C facia with Cat 6 coupler
6C/6C	Black / White 6C Cat 6 IDC module

300mm Launch leads

6C/3.5	Black / White 6C 3.5mm jack launch lead
